TERMS AND CONDITIONS OF SALE

AMPF sells only to the trade. Customers are required to have a resale certificate with a tax number, a local business license where required, and proper credit references. Visa, Mastercard, and American Express are also accepted for payment. Terms are net 30 days. A finance charge of 1 ½% per month (\$3.00 minimum) will be applied to invoices over 30 days. Returned checks are subject to a \$30 charge.

LENGTH AND STRAIGHT CUT CHOP

AMPF has no minimum length orders. Please order by foot quantity since moulding lengths vary. For our customers that receive their shipments via Federal Express Ground, AMPF offers a unique *Straight Cut Chop* program priced 30% above our list length price. Four inspected unmitered legs are provided. This allows you to miter your frame the way you wish, and also reduce waste. This may also lower shipping costs.

CHOP SERVICE

All frames are chopped with a 1/8" allowance unless otherwise specified. Prices listed are per foot, with a minimum charge of 4 ft per frame. Chop service orders received by 1:00 pm Eastern will ship that same day. Orders received after 1:00 pm Eastern will be shipped on a first come first served basis. Special requests may delay the shipment of your order. Chop orders over \$100 will receive free FEDEX ground shipping for customers with open or credit card terms. COD shipments will include all shipping charges. Chops requiring shipment by common carrier will be invoiced all shipping costs. Orders of 5 or more chops using the same item and cut the same size receive a 10% discount.

JOIN SERVICE

All join orders will be charged the chop price per foot (4 ft minimum), plus a set join fee per frame. Joined frames for delivery the next day must be ordered by 12 noon (your local time).

Joined frames less than 40 united inches - \$6 per frame.

Joined frames 40 united inches or greater - \$12 per frame.

Joined frames can be shipped via Fedex although it is considerably more expensive than chop service to ship due to increased package size. FEDEX size limitations are also a factor when shipping joined frames.

For Joined frames shipped FEDEX less than 40 united inches - \$10 per frame.

For Joined frames shipped FEDEX over 40 united inches - \$20 per frame.

All shipping charges are invoiced.

LOCAL DELIVERY SERVICE

AMPF offers delivery service from each of our distribution centers. Each of these facilities offers a wide variety of competitively priced picture framing supplies as well as stocking our entire line of mouldings. Orders should be placed by 3:00 PM. **Orders of \$75 or more will be delivered FREE** (No "Energy Fuel Surcharges" or "Miscellaneous Delivery Charges"). Orders under \$75 will be charged a \$8.00 delivery fee. Our Customer Service team will be happy to suggest items to add to any order under \$75.00 to avoid the delivery fee.
