Internet Address: www.designermoulding.com

Qualifications: Possession of our price list or catalog alone does not constitute the right to buy. Designer Moulding reserves the right to determine the qualifications of a “trade only reseller” customer to purchase. Customers must have a business license and provide a resale tax-exempt number to qualify.

Payment: Open Account: To establish credit, fill out the Designer Moulding credit application form and return it with a copy of your Tax Exemption Certificate to the attention of the Credit Manager. Allow a week to ten days to process your application. Open account terms are Net 30 based on invoice date. Orders will not be shipped to accounts with past due balances.

For immediate ordering, use your credit card or request C.O.D.

Credit Card: Visa, Master Card and Discover are accepted for charge purchases. **We do not accept American Express.**

Prices: We will do our best to keep our customers informed of current pricing. However, due to uncertain market conditions, we reserve the right to change prices without notice.

Back Orders: In the rare case when we are out of stock, our policy is to cancel all backorders.

Returns: Please notify us within 10 days if there are any problems or discrepancies with any of our products so we can issue a Return Material Authorization (RMA) and correct the problem immediately. Inspect all items upon receipt for defects, damage or errors prior to joining or cutting the mouldings. Partial stick returns will not be accepted. Chops will not be accepted for credit if there is evidence that the joining process has begun.

If product is returned for reasons other than our error, we must be notified within 10 days of receipt so a return authorization (RMA) can be offered. There will be a 25% restocking fee, plus the customer must pay the shipping charges back to Designer Moulding. Only sleeved full sticks of good condition moulding suitable for resale are eligible. It is the customer's responsibility to insure proper shipment packaging for damage free delivery.

Chop Conditions

The Designer Moulding United Inches Chart is used for calculating footage. Minimum footage per frame is 4 feet. Minimum chop length is 5” per rail. Profile widths are rounded up to the nearest UI equivalent. If UI exceeds the inches in the chart, round up to the next higher UI. Moulding 1” wide or less use the 1” column. Discounts apply only to Designer Moulding and the Woods of Designer Moulding branded products that are ordered off the current Chop & Length Price Sheet. Metal chops do not come with hardware. Hardware should be ordered separately.

Chop Allowance: We use 1/8” allowance on all metal and wood chops. If you want an allowance different from 1/8”, please specify your requirements at the time of your order.

Wedge Lock Corner Groove/Corner Routing: Wood moulding corner wedge lock and plug(s) can be added: \$3.00, per frame.

Chop Shipments: Chops will be shipped via FedEx Ground unless notified at time of order. Chop orders over \$100 will be shipped free via FedEx Ground. Chop orders under \$100 will be billed at FedEx Ground rates. Orders shipped via freight carrier are F.O.B. Distribution Center unless otherwise stated.

Joined Frames: We offer joining service for all our frames for \$9.00 per frame. This charge helps defer the cost of labor and packaging. Shipping for all joined frames are at the customer's expense.

Length Conditions

Branded Minimums: Moulding must be ordered in full lengths.

Discounts apply only to Designer Moulding and The Woods of Designer Moulding branded products that are ordered for the same shipment, off the current Chop & Length Price Sheet.

FedEx Shipments: Moulding cut for FedEx shipments are allowed, but cut length sizes must be specified at time of order. There is a \$4 per item charge for moulding cut for FedEx and an additional \$2.00 if cut a second time.

OEM, Contract and Special Shapes: Minimums, lead times and prices are quoted.

Length Shipments: Lengths are shipped via freight carrier F.O.B. Distribution Center.
